

“Holy Ground”
ALIVE Magazine

You all know of the amazing work of the Grief Group, under the auspices of Companions on a Journey and Pastoral Ministry...that work has been featured in a National Publication - **ALIVE Magazine** http://issuu.com/lopezneedleman/docs/alive_spr2014 and the article is entitled “Holy Ground.” This recent article, published by the Marianists, features Moeller’s work, where Companions on a Journey began their Ongoing Teens in Grief program in 2000. It’s a great article!
